## ✓ EXPERIENCE

Envirotech engineers and scientists are degree qualified professionals with almost 30 years of experience. We have the expertise to prepare reports that will be accepted and approved by the governing bodies. Our engineers and scientists are up to date with the latest guidelines, regulations, procedures and technologies enabling us to provide industry standard and cost effective solutions

"Service provided was just as advised it would be, the turnaround between the actual inspection and issue of the report was quicker than expected."

-Karyn, Prestons

## FAST DELIVERY

We can have your completed report to you within 3 days after your site inspection.

## ✓ QUALITY

As a quality assured company, we focus on delivering effective solutions that are customer focused, innovative, timely and in accordance with government requirements. As an industry leader, we are continually improving our key processes.

"The service and professionalism is fantastic. I'm really glad we were referred to you."

-Karlene, Cranebrook
